

DONOR REFERRAL LINE

1-800-344-8916

Organ donation: call within ***one hour***
on ventilated patients with any of the following:

Glasgow Coma Score \leq 5

Absence of one or more brainstem reflexes:

pupils fixed, no corneal reflexes, no cough, no gag, no spontaneous movement or response to painful stimuli, no spontaneous respirations

Anticipated end-of-life discussions

- ▶ Making a referral does not change the treatment goals.
- ▶ Continue treatment & collaborate with Cascade Life Alliance.
- ▶ Donation agency initiates donation conversations.

Eye & tissue donation: call within ***one hour*** of cardiac death
even if the patient was previously ruled out for organ donation.

Pacific NW Transplant Bank is now...

Cascade
Life Alliance

Preserving Your Patient's Donation Opportunity

- ▶ Continue support and treatment – good patient care is good donor care.
- ▶ Contact donation agency prior to terminal extubation or initiation of comfort measures.
- ▶ Donation agency initiates donation conversations.
- ▶ Call 24/7 with questions or updates.
